Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Mohanrao Patangrao Patil Mahavidyalaya, Borgaon is founded in 2001 by Manikrao Patil (Aba). The prime objective is to give education to girl students in order to empower them. In keeping view the vision and mission, the students from all

strata of society are admitted to various courses without any discrimination of caste, creed, sex and religion. The college adopts new technologies, methodologies, activities to achieve academic excellence. The institution is affiliated with Shivaji University, Kolhapur, and follows its prescribed curriculum. The institution has the following mechanism for well-planned curriculum delivery and documentation. 1. At the beginning of the year, the college prepares the academic calendar as per the annual plan of various departments and committees. The Digital board of the academic calendar is displayed in the college campus to notify the students regarding teaching days, programs, meetings, curricular and extra-curricular activities. At the commencement of the academic year, Remedial Course in English is offered to the freshers. Various teaching-learning methodologies are adopted which include Workshops, Group discussion, Computer and LCD-assisted sessions, Case Study etc. Updated library and web resources are availed by students and teachers. 2. Welcome function is organized every year for newly admitted students to motivate, encourage and participate in college activities. It also helps to be aware of the mechanism of the student council and the duties of students. In this function, program and course outcomes are put before them. The program is also organized to get acquainted with the curriculum and its implementation. 3. The progress of the students is continuously evaluated through home assignments, revision tests, unit tests, preliminary exams, seminars, and projects. 4. Tours and field visits are also organized. 5. ICT enabled the teaching-learning process is followed. 6. Periodic meetings of various committees are conducted to track the progression. 7. NSS department organizes extension activities. 8. The college has established 'Vivek Vahini' to inculcate scientific temper among students and society. 9. Students are motivated to participate in the programmes organized by `Andhashraddha Nirmulan Samiti' (Rationalist Movement). 10. The college motivates students to participate in Cultural and Sports activities. 11. Teachers are motivated to provide remedial coaching classes for slow learners and intellectually challenged students. The curriculum is implemented in the college in such a way as to mould the students into socially useful citizens of this country. Counselling and mentoring are provided to students. The entire gamut of the Teaching-learning process is designed to be student-centric. The feedback system on teaching effectiveness implemented in the college is two-fold. The progress of the syllabi coverage and performance of the students is evaluated through the Internal/University examinations and Class Committee Meetings which are conducted at regular intervals. Teachers' quality and performance are regularly monitored through the feedback from the students on the effectiveness of curriculum delivery. The Banking and Computer Literacy courses are certainly beneficial especially to students of Economics, as well as other students. Projects like Unnat Bharat and Lead College help students in developing research culture.

2.3.2 – Students mer	ntoring system ava	ailable in the institu	ution? Give de	tails. (maximum 500	words)						
2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words) Mentor-mentee scheme is a hall mark of our college. It helps to guide the students for their overall progress. The scheme is beneficial to choose and to develop skills for his/her better living some sort of subsistence. The scheme is based on the following objectives: 1. To give support and inspire a mentee in his/ her personality development and focus on goal. 2. To identify and address the educational problems faced by students. 3. To tap advanced and slow learners and guide them accordingly. 4. To help mentees to gain new experience and build confidence. 5. To identify areas where there is room for improvement. 6. To empower their strengths. At the beginning of the year, all necessary information related to the students is collected and the registration for mentees is prepared by the committee through IQAC. The committee maintains the records of unit tests, revision tests, preliminary exams, records of the student seminars and projects, to review the performance of the students. The mentors interact with students through individual meetings and through social networking sites. The problems of the students are discussed and resolved with the parents during the parent-teacher meeting. Teachers guide and encourage them to appear and prepare for competitive examinations. Due to the mentormentee scheme, some positive outcomes of the mentor-mentee scheme are observed. Students have shown outstanding performance in sports competitions. Many students have participated in cultural activities organized inside and outside the campus. The students also participated in research-based activities. Four students of the college prepared and submitted a project under the research sensitization scheme for the college students under the Lead College Scheme. Miss. Dipali Dattatray Chavan achieved Shivaji University Meritorious Scholarship of 10,000/ (Ten Thousand Rupees). Our student Miss Namrata Chavan got Divyang Scholar

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution prepares the Academic Calendar of the curricular, cocurricular, and extra-curricular activities and uploads it on the website. The institution strictly adheres to the academic calendar. Every department has to submit the annual plan and compliance with the academic calendar. At the time of the internal audit, the compliance is verified with documentary evidence. At the beginning of the academic year, every teacher is assigned the subjects to be taught. The teacher plans the teaching and evaluation schedule of the assigned subject. The type and schedule of internal evaluation are planned by the examination department discussion with the head of the department. The Head of the department compiles the academic plan submitted by the teachers and ensures that there is no overlapping of the activities. The IQAC compiles the inputs received from the various departments and a comprehensive plan is prepared and uploaded on the college website.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Our college is situated in an airy and healthy atmosphere away from residential zone. The classrooms are spacious. The campus is well maintained by the non-teaching staff and NSS volunteers. Adequate computers are available with internet connection in the office and the library. Students are provided computers with internet connections. Kho-Kho ground, Volleyball yard, kabaddi ground are available on the campus. As per requirement, painting, carpentry work, plumbing work is carried out with the permission of the management. Construction work and renovation of the existing campus is periodically carried out. NSS volunteers clean the campus periodically. Sometimes hired workers are used to clean the campus. Cleaning and maintaining lawn and garden is carried out by the gardener. The water purifier plant is installed and maintained by the support staff. Most of the committees have procedures and policies for smooth functioning of the work.

		Student Counci							

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Under the provision of section 40(2) (b) of the Maharashtra Universities Act, 2018, the college constitutes Student Council in every academic year. After the commencement of every academic year, the college Student Council is constituted as per the rules and regulations laid down by Shivaji University, Kolhapur. Class Representatives (CR) are selected based upon their previous year's academic performances from each class. The members of the student council actively participate in the academic and administrative developmental

activities of the college. The members of the students' council conduct various co-curricular and extracurricular activities under the guidance of the respective committee chairmen and in-charge faculties. Objectives and functions of Students Council: 1] To promote the academic, professional, and personal development of students by involving them in various curricular, co-curricular and extracurricular activities. 2] To inculcate the leadership abilities of students. 3] To conduct various activities/ programmes at intra and intercollegiate levels. 4] To help in maintaining discipline and code of conduct in the college campus. Student representatives on various academic and administrative bodies The participatory mechanism facilitates the students' representation in various academic and administrative bodies/committees, these include College Development Committee (CDC), Internal Quality Assurance Cell (IQAC), Internal Complaint Committee (ICC), Anti-ragging committee, Student Council, Student Welfare Committee, Magazine, and Publications committee, Gymkhana committee, Excursion and Tours committee, Cultural activity committee, Library committee, Vangamaya Mandal (Literary Forum) etc. As per the new Maharashtra University Act 2018, the university had sent a circular regarding conduct election. But, later on, it was postponed for the year 2020-21. So, we nominated the students according to their performance in annual exams, sports, cultural activities and gave them representation on respective committees as per the Maharashtra University Act 2016.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

5.4.3 - Alumni contribution during the year (in Rupees) :

5.4.4 - Meetings/activities organized by Alumni Association :

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

0

0

Decentralization is the process by which the activities of an organization, particularly those regarding planning and decision making are distributed or delegated away from a central, authoritative location or group. In order to make better and faster decisions, the management has empowered the Principal to take decisions related to curricular, co-curricular and extra-curricular activities. This has resulted in the CDC, IQAC, Heads of Departments and Faculty taking autonomous decisions at their level for accomplishing the set goals. This decentralization has resulted in increasing the overall quality and effectiveness of the system and at the same time empowering and strengthening the capacities of the various branches of administration. Every committee has the freedom to prepare their plan and decide implementation strategies. The college committees are responsible for admission, time table, examination, purchases, welfare of students, organization of extension activities and prepare the working strategy for the effective functioning of the college. The committee meetings are held as and when required for the implementation and

organization of certain activities. A report of activities is prepared by each committee at the end of every academic year. The following is an exemplification of the same: 1] State level "Granthjagar Book Review Presentation Competition" The college encourages and motivates a culture of decentralization and participative management by involving staff members in a number of administrative roles. In the academic year 2019-20, "Aswad A forum for Reading Culture" committee organized university level "Granthjagar Book Review Presentation Competition" on 14th January 2020. In order to conduct the competition, the competition committee has been formed. This committee was given the following responsibilities: To register entries of the participants. To prepare required classroom and assessment chart. To correspond with colleges affiliated to Shivaji University, Kolhapur regarding student participation in the competitions. To decide referees for the competitions. The following are the members of the committee - 1. Dr. J. A. Mhetre: Chairman (Principal of the college) 2. Smt. K. B. Patil: (Coordinator) 3. Smt. U. B. Karsale (Member) 4. Dr. S. N. Patil (Member) 5. Dr. A. D. Satre (Member) 6. Dr. P. Y. Burute (Treasurer) 2] State Level Quiz Competition on the occasion of 150th Birth Anniversary of Mahatma Gandhi: As the college has formed various committees under the guidance of Parent Institute and the Principal, the Library Department, Dept. of English and IQAC arranged State Level Quiz Competition on the occasion of 150th Birth Anniversary of Mahatma Gandhi on 30/01/2020. In order to conduct the competition, the competition committee has been formed. This committee was given the following responsibilities: To register entries of the participants. To prepare required classroom and assessment process. To correspond with colleges affiliated to Shivaji University, Kolhapur regarding student participation in the competitions. To decide guidelines and referees for the competitions. The following are the members of the committee - 1. Dr. J. A. Mhetre: Chairman (Principal of the college) 2. Smt. U. B. Karsale (Coordinator) 3. Prof. U. N. Suryawanshi (Member) 4. Dr. A. D. Satre (Member) 5. Dr. P. Y. Burute

6.1.2 – Does the institution have a Management Information System (MIS)? No 6.2 – Strategy Development and Deployment 6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each): Details Strategy Type Admission of Students Reservation Rules are strictly followed. • Admission is done strictly according to eligibility criteria fixed by the affiliated University and Govt. of Maharashtra. • On first come first serve basis admissions are given. The procedure and other details regarding

prospectus of college admission and other details are provided to each

Collaborative activities are Industry Interaction / Collaboration organized in the college. Kranti Charitable Trust used our ground for sports competition and this trust help

us to organize academic activities. Assistance with Kranti Trust our

admission are uploaded on our college website (http://www.hindmatasankul.org. in/senior_college.html). • The

student.

	college organized one day workshop on "Dialogue with Teachers". Under the Lead College Activity scheme students are exchanged for academic activities like workshops and lectures.
Human Resource Management	At the opening of new academic year, work is distributed to nonteaching staff. Excess workload of administration is shared by appointing temporary nonteaching staff. Faculty members are promoted to attend Conference / Workshop / FDP's conducted outside the Institution. Decentralized work structure is followed. As per need temporary human resources are hired.
Library, ICT and Physical Infrastructure / Instrumentation	There are 4568 books available in the library which includes reference books, magazines, textbooks, books on competitive exam. The journals, clipping files, educational CDs, DVDs are also available in the library. Information about new arrival is displayed on the library notice board.
Research and Development	The management is much concerned about research work. The college has a research promotion committee. The college publishes "Research Contribution" by faculty every year. It includes research papers, papers published in various journals and proceedings etc. There are ten Ph. D. degree holders out of which two faculty members are research guides. Two of us have been pursuing for Ph. D. research work.
Examination and Evaluation	The college works on diverse internal evaluation processes such as unit tests, revision tests, preliminary exams, seminars, home assignments and project work. Apart from these, for identifying advanced learners and slow learners, the college conducts common test and accordingly gives special coaching.
Teaching and Learning	ICT enabled teaching is adopted. Guest lectures by eminent personalities and experts from various fields are organized. Excursions, field visits and educational trips are organized by the college. Seminars and Group Projects, Assignments and Revision Tests are conducted. Efforts for slow learners are taken.
Curriculum Development	The college adopts new technologies, methodologies, activities to achieve academic excellence. The institution is

affiliated to Shivaji University, Kolhapur and follows its prescribed curriculum. The methodology of curricular delivery in the college is properly documented in the college website and prospectus. The Feedback is taken as the parameter for improving the teaching skills.

E-governace area	Details
Planning and Development	The college has 7 computers wit internet connection, Xerox machine, projector and printers are availab Strategic Plan is developed for smo function of the college.
Administration	Facilities like Biometric attendation staff, Bulk sms for students institution website, Central sector State government scholarships etc. available and used for smooth administration. The college submit data for All India Survey of High Education (AISHE) initiated by MHF Govt. of India every year. The State Government collects online data and college submits the information to Department of Higher and Technicate Education, Govt. of Maharashtra throw MIS.
Finance and Accounts	Salary sheet is submitted throu- email to the bank.
Student Admission and Support	The prospectus is made available the institutional website to know admission process, documents, and for Online admission and exam forms as filled in the college. Computers w internet facilities are available students. Organized online quizzes competitions. The college has star YouTube channel through which activities organized in the college live programmes are broadcasted. T library department has its own Blog YouTube channel. The activities rela- to the library are shown.
Examination	B.A. I Theory marks filling B.A. internal marks on software.

CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 – Institutional Values and Social Responsibilities

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period from	Period To	Number of Participants	
			Female	Male
Lecture on Sexual Harassment	30/09/2019	30/09/2019	25	5
International Women Day	12/03/2020	12/03/2020	25	5

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

The efforts are made to maintain greenery by planting trees in the college campus. The garden and cultivation of lawn are maintained on the college campus. Trees are also planted on roadsides of Takari Islampur road. College classrooms have deliberately large windows in order to get natural light so there is low light consumption. The college has Rain water harvesting system. Environmental consciousness rally is organized. Our college has taken initiatives to plant trees surrounding the village. So, with the collaboration of high-school students, our college has planted trees in Borgaon and surrounding areas like a market place, roadside, riverbank, Grampanchayat office etc.

7.1.3 - Differently abled (Divyangjan) friendliness

1. Tree plantation programme was organized by NSS department 2. Tree plantation awareness rally is organized 3. Chewing tobacco, smoking is prohibited in the college campus. 4. Environment awareness projects are allotted to students for

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice 1 1) Title of the Practice: 'Aaswad' Reading Culture': A Campaign to develop the reading skill. 2) Goal: • To inculcate reading culture among the college youth. • To develop the quality of critical thinking/ insight among students. • Stimulate research and independent study through reading culture. •To train students in the technique of elocution and essay writing and groupdiscussion. • To make students aware of various problems facing our society and the country. •To promote reading culture in the college and to enhance the students' language proficiency and learning capacity. 3) The Context: The committee 'Aaswad Reading Culture: A Campaign to Develop aReading Skill' works collaboratively to nurture the good habit of reading through this activity. Education should make students competent enough to consider public issues and form their opinion on them judiciously. Youth is a season ofhope and aspiration. 'Aaswad' Reading Culture' is a platform where studentsexpress their views, opinions and thought about social issues through readingculture. It involves researching, public speaking, reading and writing skills and coining opinion. 4) The Practice: 'Aaswad' Reading Culture' is an activity to develop the mind and personality of students particularly and ultimately enriches intellectual lives generally. 'Aaswad' Reading Culture is organized to develop the abilities like learning skills and critical thinking. To develop reading culture among studentsthe college has introduced 'Aaswad' Reading Culture: A Forum to Develop the Reading Skill. Many programmes are conducted through this activity. The coordinator of the committee conducted the meet of a faculty members in ourmother institute including secondary, higher secondary and college unit. In thatmeeting, annual plan has been prepared and followed throughout the year. Teachers from each branch instructed to read two books in a year and presenttheir book reviews on the selected books in front of the students. The studentsalso read books and present themselves in front of their classes. Out of the totalnumber of readers, our library declares award for "The Best Reader" of the year. The certificate is issued to the Best Reader during the annual prize distribution ceremony. The methodology of the reading culture improves analytical skill ofreading such as various styles of reading, creative reading and formation of reading competency of students. This activity makes learning more exciting. At the time of any felicitation programme, our college offers books to theguests along with flowers and bouquets. The practice of offering books alsopromotes our reading culture. The library department made linkages withneighbouring colleges. Our library organizes a visit of eminent author/poet topromote reading culture under "Lekhak Apalya Bhetis" (Meet the Author). 5) Evidence of Success: 'Aaswad' Reading Culture: A Forum to Develop the Reading Skill' aimsat to develop reading skill and critical thinking among students. It also helps tofind solutions regarding social problems and issues. The faculty of our institutepresented their book reviews in front of the students for each semester. Studentswere encouraged with activity and started to write and present themselves. The institution organized State level "Granthjagar Book Review Presentation Competition" on 14th January 2020. In which, forty one students from Sangli, Satara, Kolhapur district participated enthusiastically. Renowned author Dr.Suraj Chogule, Prof.Ekanath Patil, Prof.Arun Kakade were the referees for that competition. The Prize distribution ceremony was held after the competition. At the end of the academic year, 32 students wrote book reviews and someof the students presented their book reviews in front of their class. Through thispractice, students are promoted to express themselves on stage, with properpreparation. Even, it proves very effective when they justify their own views withproper evidences examples and references etc. It is mandatory to submit hardcopy of their presentation. So,

their writing skill is also improved. 'Aaswad' Reading Culture is not aimed at individual benefit but alsocreates social awareness and develops bond between student and society. Ourlibrary department has requested to the students that they should tell their parentsand grandparents to use college library. Now parents and citizens of Borgaon village frequently visit our library and borrow books, magazines and other librarymaterials. In the memory of our founder member of Hindmata Shikshan Mandal, Late Mohanrao Patil (Anna), Smrutisaptah is organized every year. During the Saptah, book exhibition is organized. Citizens from surrounding villages visit theexhibition and get acquainted with the variety of books available in our motherinstitute. Now citizens of neighbouring villages also started to visit our library. This activity helped to the students in the acquisition of language skills, success in their academic, improved their reading and writing abilities, vocabulary knowledge, enjoyment of leisure hours and increased knowledge of social issues like environment and youth problems. Reluctant and irregular students' also get motivated and proper guidance of reading is given throughmentor-mentee scheme. The circulation of library is also increased. 6) Problems Encountered and Resources Required: 1. Non availability of the classics. 2. Students are reluctant to participate in such activities that needs stagedaring. 3. Initially response from students was not much encouraging 4. The youths are stuck up with the mobiles, so disinterested in reading books in physical form. Best Practice 2 1) Title of the Practice: Providing clothes to sugarcane cutters. 2) Goal: The vision of the institute is- "To empower culturally and socially underprivileged people". And one of the missions is- "To create awareness about social responsibility and secularism among the students". Some of the aims and objectives of the institute are- "To cultivate moral and spiritual values among students and society. To create awareness among students about socio-economic need of the country". To give an underprivileged person a pair of clothes is a kind of awakening the social responsibility and sympathy for the have-nots among the students. With this objective we distribute usable clothes to the sugarcane cutters and their family members. i) Distribution of clothes to sugarcane cutter families every year. ii) To collect the clothes from students creating social responsibility and sympathy towards the needy. iii) To collect clothes from sugarcane growing farmers crating awareness among them regarding the needs of sugarcane cutters. iv) To seek the assistance of senior citizens in this mission. v) To imbibe the social responsibility and the feeling of the sympathy among the students for the needy. 3) The Context: The sugarcane cutters are mainly from Beed, Latur, Osmanabad of Marathwada region of Maharashtra, some of them are from Ahmednagar District. These families are forced to migrate every sugarcane crushing season to work as sugarcane cutters in the sugar belt of Western Maharashtra, Karnataka, Telangana and some parts of Andhra Pradesh. The only reason for migration is the continuous drought-like situation in theirregion. Despite having pieces of land, farmers are unable to cultivate anything due to water scarcity. Lack of alternative employment compounds the problem. It is because of drought conditions and its post consequences are the push factors and work availability at the sugar belt could be considered as pull factor for the seasonal migration of these workers. In addition, they take advance amounts from the Mukadam (contractors) and so they are bound to come for sugarcane cutting. Though they are hard-up with the money, they are forced to attend hard work of sugarcane cutting work facing adversity of the winter season.Further, after seasonal migration, the circumstances in which these workers are living are directly impacting their livelihoods, education, health and their citizenship status. Therefore, the status of sugarcane cutters at the destined places in terms of livelihoods, education and health could be seen through the framework of socio ecological theory. As the college is very close to Rajarambapu Co-operative Sugar factory, Sakhrale, Tal-Walwa, Dist-Sangli (MH), it is observed that the sugarcane cutters have scanty clothes to protect them from shivering cold as the season normally starts in October every year.

When discussed with the students, it was suggested to collect old clothes in good condition for giving to sugarcane cutters. The idea was appreciated and brought into practice. We selected this activity as best practice, because it is really heart-breaking condition of the sugarcane cutters that they are deprived of one of the basic human needs that is enough clothes to put on to protect from the natural adversities. 4) The Practice: Every year, in the welcome function and such of the students' programs, they are told about the regular practice of collecting the old clothes in good condition for the purpose of distributing to sugarcane cutters. The human value of sympathy towards the needy is imbibed in their personality. The general appeal is done to sugar cane growers and senior citizens to donate clothes for this purpose. The distribution program is undertaken in the month of December or January. It is very disheartening to see them survive in such harsh living conditions. Volunteers help us out in locating such needy people. Many generous donors regularly come ahead and donate blankets, clothes, footwear, and food. We have come across many such people who have been surviving in such poverty-stricken conditions that the more we reach out to these people, the more we come across similar types.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://mppmborgaon.org/pdf/Best_Practices_2019_20.pdf

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

August, 2019 proved very much disastrous to the people living on the banks of Krushna river, in the feeding area of our college. The surrounding villages along with our Borgaon were affected because of heavy rainfall and flooded Krishna River. The houses, human beings and livestock were washed away in the flooded river. The damage was heart-breaking, irreparable. To bring the life to normal, our college faculty and students did their best by giving helping hands. We provided food-grain, clothes, and medicines to the villagers of Bahe, June Khed, Kharatwadi and Pharnewadi in Walwa Tahsil of Sangli district. To meet the expenses of these commodities our faculty contributed money. In order to provide educational assistance to the primary school students from June Khed, the college distributed school bags, books and note books and other stationery material. At the occasion people of the village, Panchayat leaders, Sarpanch, Gramsevak and faculty were present. Dr. V. K. More, NSS co-ordinator expressed vote of thanks.

Provide the weblink of the institution

8. Future Plans of Actions for Next Academic Year

1. To strengthen research activities. 2. To organize various awareness programmes. 3. To organize a workshop for teachers on the revised syllabus. 4. To promote reading culture. 5. To organize skill development and counselling programmes. 6. To initiate some social inclusive programme.
